## 1. Testing

Here can be found a summary of all (maybe nearly all) documentation about how OJB does testing (a [JUnit](http://www.junit.org) based test suite) and how to write new tests.

- [The OJB test suite](http://../docu/testing/testsuite.html) (../docu/testing/testsuite.html)
- [How to write tests](http://../docu/testing/testwrite.html) (../docu/testing/testwrite.html)
